- Thomas was an exchange student from the US in Taiwan. One thing that impressed him during his stay was attending a “ban-doh,” an open-air banquet which usually _(31)_ right out on the street. At the banquet, he saw the guests _(32)_ at large round tables. Thomas _(33)_ never seen such a custom in America before, and he was curious _(34)_ the origin of this kind of banquet. His host father _(35)_ that in the old days, everyone in the village would work together to have a “ban-doh” when there was a big celebration. Some would help out _(36)_ the cooking, and others would prepare chairs, tables, or eating utensils. The host mother added that at the end of the banquet, guests would pack up the leftovers to take home. _(37)_ it was usually late when the banquet ended, the host would offer the guests torches to help them light their way home. The guests would then stroll home _(38)_ torches and bags of food in their hands. Thomas thought this experience was so interesting that he would surely share it with his friends and family members!
