Culture shock happens when you travel to a new country and have trouble getting used to its customs. Let’s take a look at some examples. When Meiling traveled to France, her cousin introduced her   31   his girlfriend. This French girl greeted Meiling as French people usually do, by kissing her on both cheeks. As a Taiwanese person, Meiling found this situation   32   uncomfortable that she didn’t know what to do. In another example, when Felix went to Thailand, he touched a young boy’s head,   33   to be friendly. He later learned   34   this action is seen as very rude by Thai people.
