Diana was waiting for the bus. As the bus was approaching, Diana found out that she didn’t have any money to pay the fare, __ (21) __ that she had forgotten her purse. This __ (22) __ before, and sometimes, the bus driver had been nice enough to give her a free ride. However, today, the driver was Henry. He was rude and would sometimes even drive past the bus stop without stopping. She knew he would yell at her and insist that she __ (23) __. Normally, she wouldn’t care about walking, but today, she had an important exam. As she paced __ (24) __, wondering what to do, she noticed that on the bench sat a wallet. A great struggle occurred within her mind. Diana thought to herself, “Should I take the wallet to the police now?” Doing so would mean she would miss both the bus and the exam. What if she “borrowed” some money from the wallet? There was no one nearby and thus no __ (25) __. Therefore, nobody would be aware of her actions. As the bus arrived, Diana reached down toward the bench and....

(25)(A) instructor (B) clue (C) status (D) witness

People often say, “Out with the old, in with the new.” In some cases, however, it is more important that we __ (26) __ our historic treasures. Although this often takes longer and is more expensive, it is well worth it __ (27) __. Two examples of historic structures that benefited from this type of __ (28) __ are the Abu Simbel temples in Egypt and the Kaohsiung Railroad Station in Taiwan. In order to save these structures __ (29) __ being destroyed, their respective governments had to act quickly. In the case of the Egyptian buildings, locals moved the temples over 200 meters away by first cutting them into 16,000 blocks and then reassembling these individual pieces at the new site. The entire Taiwanese

railroad station, on the other hand, was moved to a new destination on wooden tracks. Both methods allowed these countries __ (30) __ their historic treasures, while at the same time engaging in new developments. In time, future generations will no doubt appreciate these efforts.
