When people think of fashion, the name Versace often comes to mind. This popular Italian brand has been making luxury shoes, clothes, and other goods for over forty years now. It is worth billions of dollars, and is often associated with lively, bright colors and creative,unique designs.															
Versace is also known for its very interesting logo. This features Medusa, a beautiful but scary figure in Greek mythology . Although she is said to have had a very attractive face, Medusa’s head was covered not by hair, but by snakes! She also had the ability to turn anyone that looked at her into stone. In spite of this, men and gods simply could not help being drawn to the creature. They also could not help falling in love with her.															
There is no doubt why Gianni Versace, the famous designer that founded the company, chose Medusa to represent his brand. People just cannot resist its glamour .
