III. 克漏字 20%

I had seen the woman several times. She always sat on the bench quietly. It seemed _(16)_ she was just listening. As the stationmaster, I wanted to understand what had happened, so I walked over to her. She stood up and said, "The voice is not his." She became a little _(17)_, so I pointed to another bench, and we sat down. She said that her late husband _(18)_ the recording to remind people to watch their step. His death was very hard for her to _(19)_. When I told her that the Underground was using a new recording, she walked away in silence. Today, she appeared again, and I gave her a(n) _(20)_ copy of the recording. Joy spread across her face. Her eyes were full of gratitude as she received this gift. Then she smiled at me and stepped onto the train.
