**Part B: Short Answers: 10%**

Read the following questions and answer in a complete sentence.

1. Why did Holmes know there were seventeen steps but Watson did not?
  2. How was Irene Adler causing a problem for the king?

**Part C: Essay writing: 30% (50-80 words for each question)**

1. In discussing Irene Adler and Sherlock Holmes, Dr. Watson said, "In his eyes she eclipses and predominates the whole of her sex." In your eyes, what person "eclipses and predominates" the whole of his or her sex? In other words, who do you think is the best example of a male or female? This may be someone you know or it may be someone famous. Analyze why this particular person is so appealing to you.
  2. Would you recommend this story to a friend? Why or why not?
