### V. 克漏字選擇 20%

Can people make a living by doing what they actually enjoy? The answer is definitely a yes.

Take \_\_\_\_(31) e-sports gamers, for example. They turn their hobby into a full-time job, \_\_\_\_(32) allows them to get paid. If the players are good at \_\_\_\_(33) games, they may get to take part in popular e-sports tournaments overseas. If they win, they can earn large \_\_\_\_(34) prize money from the competitions. While e-sports gaming \_\_\_\_(35) an ideal job, it is not easy to play at a high level. As technology \_\_\_\_(36), video games are getting more and more complicated. For players, great gaming skills, intelligence, quick responses, and gaming equipment are all \_\_\_\_(37) success. As a \_\_\_\_(38) of fact, e-sports gaming involves a lot of hard work. Simply having interest is not \_\_\_\_(39) to succeed in this demanding job. So, when you consider making money with your hobby, \_\_\_\_(40) you need to remember is stop thinking only about its advantages. After all, a hobby will be more

than just fun when it turns into a serious job.
