五、綜合測驗 20% (41-50 題) /@2

I am a plastic bag. I was sent 41 a factory to a store. 42 a long time, I waited to be used. Finally, some children took me to the beach, 43 they had a picnic. 44 night came, they left and forgot about me! The wind started to blow, and I ended up 45 in the sea. I soon realized I wasn't alone because I was 46 by plastic cups, plates, and straws. Suddenly, I was swallowed by a fish. When the fish ate more plastic, it 47 quite crowded inside its stomach, and the fish died. Then a wave carried me to the beach. Later, some kids picked me up. Now, they are going 48 me and other plastics to a recycling plant. We will be reused. This is good news because I'm 49 being a fish killer and harming the environment. I can't wait for the day 50 people use me correctly! I hope it happens soon!
