#### Part B Cloze 40% @ 2%

In 2020, school changed for many children around the world. It was necessary for them (31) class online rather than in person. This was because going to class in person could (32) their health due to the coronavirus. Of course, this posed problems for many parents. A lot of parents weren't (33) with the free time it took to watch their children at home full-time. (34), for most families, school was actually a much-needed form of childcare while parents were busy working. It was (35) to be the place where kids could be safe during their parents' work hours. With that gone, many parents had to leave their jobs. To partly solve this problem, some schools had some classes online, and the rest of the classes in person.

- ( ) (31) (A) have (B) to have (C) having (D) had
- ( ) (32) (A) install (B) witness (C) replace (D) endanger
- ( ) (33) (A) blessed (B) filled (C) terrified (D) satisfied
- ( ) (34) (A) However (B) For example (C) In fact (D) Therefore
- ( ) (35) (A) considered (B) considering (C) to consider (D) consider

What was it like when I ran my first marathon? Let me tell you. In 2018, I signed up for a marathon in Taipei City, (36) I've lived for 15 years. I wanted to take part mainly to test myself to see if I could (37) and compete in some kind of extreme competition. (38), I thought, would I know my true potential. When the race began, the (39) between the runners was very small. At first, I had (40) for my chances of keeping up with the leaders. It wasn't long, however, before that changed quite (41). The leaders pulled ahead (42) I couldn't even see them! Anyway, I felt fine for the first few kilometers, but (43), I was so exhausted that I thought I might throw up. Fortunately, the fans cheering along the side of the road provided me with the inspiration I needed to keep going. (44) my second wind if it had not been for their encouragement. Determined to finish no matter what, I continued putting kilometer after kilometer of road behind me. When I finally crossed the finish line, I nearly collapsed to the ground. Though almost (45) by the physical fatigue\*, I still somehow felt overjoyed. It was far from easy, but I'll definitely sign up for another marathon soon.

註：fatigue 疲憊

The small island of Lanyu is one of Taiwan's many cultural treasures. (46) just less than a hundred kilometers from the main island, it is the beautiful home of the Tao people. On our trip there, we learned about many unique customs of this indigenous (47). The most representative among these customs is their annual flying fish season, which (48) many traditions. The flying fish season starts in February and lasts for two thirds of the year. Locals spend around half of these eight months fishing for flying fish in shallow waters. From the end of June onwards, catching these creatures is no longer allowed. Starting in July, (49), only dried or stored flying fish can be consumed till the Moon Festival. A special ceremony just after this, which we were fortunate enough to be able to attend, officially marks the end of the season. Such traditions seem to (50) the Tao's ancient wisdom of living in harmony with nature. If you too want to learn about the Tao and their wonderful culture, a trip to Lanyu is a must!

- (      ) (46) (A) To lie (B) Lying (C) Lain (D) It lies
