#### IV. 綜合測驗 20% (每格 2%)

As the saying goes, "Failure is the mother of success." Once you have experienced failure a lot of times, you will 41 good ideas to solve problems. However, have you ever thought people may be interested in understanding failure? Believe it or not, the Museum of Failure is the one of the most visited museums in the world.

Among hundreds of failed products, there are 42 three objects that attract a lot of attention. First, there are Blockbuster DVD cases representing the end of a period of history. People nowadays seldom watch DVD's, so it is not hard to imagine Blockbuster DVD cases are of little use now. Also, there are some 43

items that may interest you. Will you be 44 to try a mix of coffee and coke? Probably not, right? Even though it didn't taste horrible and in some way was good for health, people still found it hard to accept that product when knowing what it was made of. Lastly, a line of frozen food products failed 45 wrong business strategies. It turned out that a toothpaste company decided to use the same name to sell food products, which made people connect the taste of food with toothpaste.

The purpose of showing these products in the Museum of Failure is to learn from their mistakes. Once we welcome failure, the path to success will be laid out in front of us.
